

RADIO FWD ANNUAL GENERAL MEETING POSTPONED

Dear valued members, students of UTSC, and Scarborough Community members,

Our staff and board members were making preparations to host our annual general meeting (AGM) weeks before the COVID-19 outbreak resulted in this event's cancellation. Unfortunately, due to campus, community and city-wide closures, we are unable to host any gathering of more than 10 people.

There is a possibility that hosting our AGM in April 2020 may also lead to a cancellation, as UTSC students have been told they no longer have to return to campus for the rest of the winter semester. Given the uncertainty at this time, we will not be postponing our AGM to a fast-approaching date. We want to provide our members with a fair and safe notice for this meeting. For the safety of our members and community, our Annual General Meeting will be postponed to the upcoming fall semester.

In the meantime, our staff and directors will be preparing a report to be posted on our website and social media platforms. This report will provide members with a better understanding of our station's projects and ongoing efforts. We will also be outlining projects that have been affected by COVID-19, as many of our station operations have been halted as a result of university and government restrictions.

This report will be posted during the month of April, and will be shared widely on all our platforms.

If you have any questions regarding our Annual General Meeting, or overall station operations, please contact us via email at info@radiofwd.com or you may contact our President of the Board of Directors at president@radiofwd.com
