Voting for the DJ Representative, which usually takes place separately from the other director positions, was processed through the UToronto online voting platform. According to SCCR policies and by-laws, the DJ Representative is voted in by current radio hosts. However, this adjustment to change those who are qualified to vote for the DJ Representative was decided using my professional judgment to conduct a fair election and after a full review of SCCR policies and by-laws.

The COVID-19 pandemic has created a shift in many aspects of university life. With the majority of classes taking place online, candidates were unable to collect nominations, campaign, or encourage their peers to vote on campus grounds as freely as they may have liked. In addition, there are no active radio shows due to the campus quarantine. The DJ Representative can be a fee-paying UTSC student or a fee-paying non-student community member, usually ONLY elected by radio hosts with no input from our general student membership.

After reviewing SCCR policies and discussion with current directors and staff, it was decided that the fairest way to choose a DJ Representative at this time was to use the input of our general student membership via the UToronto election page. Similar to last year, Radio FWD's DJ Representative was elected by fee-paying UTSC students via the University of Toronto's online voting platform (voting.utoronto.ca - signing in with UTORid) and our non-student membership was not able to cast a vote. The Radio FWD team hopes that future DJ Representative elections will have more participation from radio hosts and kindly request that members understand the unprecedented situation which resulted in this alteration. The Radio FWD team is available to address any concerns or questions regarding our election. Please email the CRO at sccrcro@gmail.com or send any general inquiries to info@radiofwd.com

As of April 1, 2022, at 11:59pm, voting has closed and all results are final. No complications or issues arose during voting hours. Once again, if there are any questions or concerns, please contact sccrcro@gmail.com.
